

Preface

The 2010 – 2012 Plateau State Statistical Year Book is prepared in fulfillment of one of the key mandate of the Plateau State Bureau of Statistics, which is statutorily saddled with the responsibility of linking Data/Information to policy, Budgeting Planning Performance Review, Monitoring and Evaluation of society. This publication is the 1st since the establishment of the Bureau in 2014.

It is primarily aimed at providing timely and reliable statistical information on Government policies, programs, projects and service delivery.

Data contained in this edition covers Population, Human Resource, Agriculture, Motor Vehicle, Medical and Health facilities, Crime and Justice, Public Finance and Education. Other areas include Transport and Communication, Building and Construction, Political profile, empowerment among others.

This publication process enjoyed robust participation from all the State Ministries, Departments and Agencies, Federal Government Agencies in the State as well as Local Government Councils, the academia, team of researchers from selected key relevant areas.

It is our sincere hope that, the data contained in this publication would be useful to all stakeholders in both public and private sectors including policy makers, researchers, students, NGOs, CBOs, Media practitioners and development partners.

The Plateau State Bureau of Statistics is particularly appreciative to the commitment of the rescue team leader, His Excellency Rt. Hon. Simon Bako Lalong the Governor of Plateau State, for his unrelenting support in bringing Statistical facts and figures to the forefront of Government policy priorities as tools for raising public awareness, and the importance and role of statistical information to the society.

I appreciate staff of the Plateau State Bureau of Statistics for their tireless effort and commitment towards the production of the Plateau State Statistical Year Book 2010 – 2012.

Finally, the Plateau State Bureau of Statistics welcomes criticisms, comments, and suggestions so as to improve on subsequent editions of the year book.
